Were Risk and Safety Concerns Addressed?

Risk and safety concerns were addressed by completing a compliance check of the foster home. Worker assessed the well-being, safety and health of the children as well as the physical environment, both inside and outside, and noted no concerns.

Please describe how the well-being needs of the child(ren) were addressed (copy and paste into this section in FACES):

School:

KBH:

Dental:

Vision:

Meds: *include any side effects or med changes for the month*

Visits:

Therapy:

Milestones:

Court:

Notes:

If there is a current safety plan for the child(ren), was the safety plan reviewed with the family during this home consult?

Narrative (copy and paste into FACES):

Address if you met with the child one on one. Include a quote about what you spoke to the child about. Ex. "This worker met with Brittany one on one in her room. Brittany stated, "I can't wait to go to the pool later this week!" Brittany appeared clean and was appropriately dressed. This worker did not notice any visible marks or bruises. Brittany stated she did not have any questions or concerns at this time." If the child does have concerns or you are concerned about their appearance please note it in the log.

Address if you spoke with the home. If the home has any issues or concerns.

To Do/Follow-up:
